An architectural rendering of a modern apartment complex courtyard. Two tall, light-colored apartment buildings with balconies frame a central green space. The ground is covered in lush green grass. In the background, there is a wooden pergola, a hedge, and some trees. A few people are visible in the courtyard, including a child playing with a soccer ball. The sky is a clear blue with a soft sunset or sunrise glow. The text "ENCHANTING COURTYARDS AND GARDENS" is centered in the image, flanked by decorative horizontal lines and vertical bars.
